Musings

Today is March 1st, Scrapper's Haven's 4th Anniversary. Wow... that came up on us very fast, it seems. Though there are certainly days that are more challenging than others, this has been the best 4 years for me, ever! I so enjoy the creative challenges that people let me help them with. I have recently had it pointed out to me that my (touch of) OCD has come in very handy in organizing the store and the store events! I think I have found my niche!

I recently started a Circle Journal. I am very excited about this project. Basically, you could set these up anyway you want, but what I chose to do is pass the journal back and forth between myself and the other person, exchanging ideas and thoughts... sharing our lives on the page! Of course, I, as the artist of the two... made the book, bound it with my Zutter (which is a great

investment) and decorated it with great papers and rubons. But the real gift will be filling it. I encourage you to try a great "off the page" project of your own sometime. They can be very stimulating.

I don't know about you, but I am SO ready for spring. Just not having to wear a coat sounds Heavenly, doesn't it? The best part of late winter is that it is a good time to set up a play date to scrap. What else can you do for the next month or two, when it is either cold or raining or snowing? I propose you take some "you time" find some like minded friends and have a scrap party or come here to a Scrappy Friday. Nothing like a little scrapping, a little food, a bit of socializing to make you feel good about winter!

Happy Scrapping... and see you soon to enjoy the new stuff!

Scissor Sharpening Workshop!

Steve, from Quality Vac & Sew is coming [here](#) to sharpen our scissors. As a professional scissors sharpener, you can trust that he will do a great job getting your scissors back in working order. I don't know about you, but I have at least 3 pair that are dull and needing serious attention!

For just \$2.50 to \$4.50 a pair (depending on paper or fabric) he will sharpen them right while you wait. If we get a large group, he will do them and you can come back for them!

Saturday March 8th, from Noon 'til 2pm... come in to get those scissors sharpened!

Class Descriptions...

36 Hour Crop: \$42

To celebrate our 4th Anniversary we are hosting a 36 hour crop. Yes, that is 36 straight hours of cropping!! We will start out at 10 AM Friday and go through 10 PM Saturday. Include the scrapping time, all the meals, snacks, prizes and fun, this is a bargain weekend!

Beyond FUNdamentals: \$12

Beyond the basics... lots of "how to glue that down" information! Plus, inks, chalks and the like! If it's time for your pages to "grow" and have a little more to them, then this is the class for you! Come join us for all the fun! Katrina.

Book Club: \$Free

We have had a great turnout for this group. We have already decided that this

is a great, fun way to learn! We use great ideas from Simple Scrapbooks and Paper Crafts! We have a couple of open spots and would love for you to join us!

Card Class with Katrina: \$10

Katrina will make four fabulous new cards with various themes and materials for EACH class. We will always make a birthday card, with three more varieties popping up when the holiday or urge hits! Bring your eyelet setting tools, if you've got them.

Card Group: \$Free

We meet, we make cards to exchange, someone in the group teaches us a technique or card idea, we giggle and laugh — it's fun!! We now have TWO groups, one afternoon and one evening. Call if you are interested! We are always

looking for new blood... uh...ideas.

Chipboard Basics: \$12

Chipboard is everywhere, it is the latest and greatest new embellishment. This class will teach you everything you need to know about chipboard, in case it is a little scary for you. Ruth will walk you through painting, adhering paper, techniques with your craft knife, inking, sanding and more!! It will be great fun and very helpful to learn these great techniques. Ruth.

Cricut Support Group: \$FREE (with Cricut purchase from here) or \$10

Got your Cricut...cutting away? Having a heck of a good time? Want to be one of the best cutters in the area... let's all learn together!! You won't believe what we've figured out on the Cricut already!!

We love this machine!!

Cuttlebug Cards \$12

Myra is our resident Cuttlebug Queen. This class was such a hit last month making Valentines, that Myra is back. She is using her Cuttlebug to make 4 fantastic cards. You do not need to have a Cuttlebug to enjoy this class, just come and check it out. Myra.

FUNDamentals: \$10

Just the basics, all the basics. Receive a \$10 store credit for anything in the store after class. We will do one page as we talk about everything you need to know to get started making your own scrapbook. (We won't use your pictures, as we are teaching techniques.) Ruth.

Page Challenge Group: \$Free

Our veteran scrappers are always looking for a new challenge. This has quickly become my favorite exercise of the month... come check it out, I think you will like it! You will be amazed at the different looks that everyone will come back with! Fun.

Paper Fashions: \$12

When Myra's granddaughter first received a "Paper Fashion" book she went crazy. She immediately sat down with her to play. You never forget how you felt playing with paper dolls as a

child, believe me. Now to make our playtime even more exciting, they have come out with a book of just additional papers and more wire hangers. ...AND they are coming out with a sequel to the first book in mid March. I can hardly wait to see what new fashions and patterns are in the latest one. These fashions make darling cards and great additions to scrapbook pages. Come and play, you will be hooked! Myra.

Scrappy Friday: \$12

7 Hours to scrap. Scrapping in a group is a GREAT way to learn new techniques, just from each other. Join us and use

our tools, let us clean up the mess.

Dinner and snacks provided, prizes, plus lots of FUN!! What better way to spend a Friday night, than with your scrappin' buddies?

That's WAY Cool!: \$12

I have LOVED this class and have FOUR students who swear by it! I would be happy to share my ideas with more of you... so call me! I am using the pages from this class for a "Book of what I LOVE!" Each month the students get to pick the topic for the next class...this month... SHOES! — Everybody loves shoes, right? Bring your photos! Katrina.

Happy Anniversary to Scrapper's Haven.

March 1st marks the beginning of our FIFTH year of business here at Scrapper's Haven.

Four years of making friends and helping scrappers achieve their goals. It has been so rewarding for me, so challenging and so wonderful. I am happy to report that after 4 years I can still say with confidence that

I HAVE THE BEST JOB IN TOWN...

Thank you to all of you who have been a part of our journey. Without you, none of this would be possible. Just 4 short years ago, Scrapper's Haven was just a dream, now it is a part of our community and our lives. I (and all of us here) very much appreciate your continued support and friendship.

Here's to the next 4 wonderful years!
