

Scrapper's Haven Herald

Volume 5, Issue 11

November 2008

Welcome Morgen

Morgen Koenig has joined our team. A fairly new scrapper, Morgen has a great eye and many good ideas. Already, after working with her for a couple of weeks, I am very impressed with how many good ideas she has to help you solve your problems!

She is proving to be a very quick study.

Morgan is a student at Winona State studying marketing. She has eagerly joined our team and is fitting right in with us!

Welcome to our family Morgen!

Adam has decided to not work as much, as he wants to focus on other things right now... we will miss him!

Christy has taken a second "real" job...so is taking a little break from here...sad, but she will be welcomed back with open arms in MARCH!!

fear.

Why on earth would I lead off with such "negative" words in my monthly newsletter? Am I crazy? Maybe... but I want you to know that I don't intend to participate in this negative culture. Scrapper's Haven has always been, and will continue to be, just that, a HAVEN. This is a happy, positive place where people are welcomed and where they enjoy just being, that is not changing!

Yes, there is no denying that people are struggling, I, too, am struggling. But I still very much believe in the tenacity and positive nature of Americans—especially those of us in the Midwest! And I also believe that scrapping and card making *add value* to our lives, perhaps more value than the actual COST, which is not something you can honestly say about everything we spend our money on, especially these days!

There is something to be said for the therapeutic quality of our

hobbies, whether it be paper crafting or some other. These stressful times are best dealt with by taking care of yourself in small ways. What better way to feel better than with a few new pieces of paper and embellishments, time spent with friends, putting together pages that celebrate the good things in life!

November 27 is Thanksgiving. I, for one, will spend the day with a host of family and friends, good food and a thankful heart. While it's easy to fall into the trap of focusing on what's wrong with the world, it's ever so much better to focus on those things that are RIGHT with your community, your families, your self.

Here's to financial health.

Class Descriptions...

Book Club: \$Free

We are always coming up with new ideas! We use great ideas from Simple Scrapbooks and Paper Crafts! We have a couple of open spots and would love for you to join us!

Card Class with Katrina: \$12

We make 4 fabulous cards each time with a different technique or theme scheduled!

November 10 - Paper folding. Make several fun folds that make your cards POP!

November 25 - Cricut Cards. Try some new cuts from some new cartridges. (No need to bring your Cricuts, we will precut for you!)

Card Group: \$Free

We meet, we make cards to exchange, someone in the group teaches us a technique or card idea, we giggle and laugh — it's fun!! Each member of the group makes 12 cards. So you go home with 12 *different* cards. If you are interested in joining just give Katrina a call for more information!

Christmas Cards: \$12

Now is the time to start making your Christmas cards. Whether you make 4 or 40 or more — we can help you with that FUN task. We will make 4 great Christmas Card designs with an eye toward reproducing. Katrina.

Christmas Card Workshop:\$25

Back by popular demand! Come anytime Sunday between 11 and 4. Go home with 20 completed cards! We make up all the supplies for 5 each of 4 cards. This is a great, fast, fun way to get great handmade cards DONE, and you don't have to think about the design. Spend a couple of afternoon hours and be DONE with 20 cards. Some people sign on for TWO classes and make 40!! **Katrina. Space is limited, so call TODAY!**

Cricut Support Group:
\$FREE (with Cricut purchase from here) or \$10

Like any good computer, the

Scraping in our workroom is free any time that there is not another event scheduled. We would like nothing better than to have the workroom in use at all times, and we are happy to take "reservations" for groups to come in as well, so....**please, give us a call to make sure we have the space whenever you are ready to scrap.**

Class Supplies. For all our classes, you need to bring a basic toolkit including: a 12" Trimmer, a scissors, your favorite double sided adhesive, glue dots, pop dots, a pencil, bone folder, scoring tool, and a ruler. For many classes you may need other specific tools for that class (which we will tell you about.) Payment is required to reserve your placement on the class list; fee listed for class includes all supplies, unless indicated otherwise. Call 507-452-1740 to reserve a spot. Cancellation must be made within 48 hours to receive a refund. **To avoid class cancellations register early; we reserve the right to cancel any class or crop with less than 4 registered participants.**

Make up your own class... have at least 4 friends who want to learn about something specific? Or just love one of the classes we have scheduled, but the time is no good? Learn the techniques you have always wanted to learn or get ideas for specific themes. Tell us what you want to do and for how long and we will work with you to design the perfect class for you! (Minimum class size: 4 students)

more you know the better it works. Remember, this wonderful machine is still a machine... so let's learn all we can to get the most out of our investment! We love our Cricuts!!

Crop 'til you Drop: \$15

Spend your Saturday with one of your most loved pastimes: eating! I mean, scrapping! 12 hours to catch up on your pages, your card making or maybe your girlfriends! What could be more fun? Lunch, dinner, snacks, prizes and FUN!

FUNdamentals: \$10

Just the basics, all the basics. Receive a \$10 store credit for anything in the store after class. We will do one page as we talk about everything you need to know to get started making your own scrapbook. (We won't use your pictures, as we are teaching techniques.) Ruth.

Page Challenge Group: \$Free

Our scrappers are always looking for a new challenge. In this group, each month we all start with the same product collection to make a page spread. It's amazing to me how

we start with the same product, but have such different results! Our awesome pages are posted in the store for a month... come check them out, or better yet, join us!

Scrappy Friday: \$12

7 Hours to scrap. Scrapping in a group is a GREAT way to learn new techniques, just from each other. Join us and use our tools, let us clean up the mess. Dinner and snacks provided, prizes, plus lots of FUN!! What better way to spend a Friday night, than with your scrapping' buddies?

Sunday Scrap: \$Free

This is really an excuse for us to get some scrapping done and get

a good lunch too. Come in and scrap with like minded women... bring a dish to pass and get some spreads done. Free and FUN!

That's WAY Cool!: \$12

In this class we make a page spread with a new topic / theme each month. The students generally pick the new topic and (if you want) your page will be displayed for the month. Our page spread for November's class will be Halloween / Autumn... (so as to not be TOO over the top Halloween). Bring 6-10 photos of a current or past costumed or autumn theme, and we will complete a great page! Katrina.

Always bear in mind
that your own resolution
to succeed
is more important
than any one thing.
