

Scrapper's Haven Herald

Volume 5, Issue 12

December 2008

Things to NOTE!

Kids Kamp:

December 6th! We've got 2 signed up so far, so call today and give Christy more to do.

We want a full house!

Card Class:

Just trust me that the cards will be fab! The 8th and the 29th.

We have a couple of openings in our Card Group... join us... it really is a fun group.

Page Challenge is great... challenging. It is good for all of us to work outside the box, it really is an interesting assignment to work with paper you may not have even thought about picking without encouragement.

Make sure you schedule yourself for a Scrappy Friday or Saturday crop (at least once) in December or January, so you don't REGRET having one more time in your favorite store. (the new one will *become* your favorite, but not til later!)

Changes and Fears

Change is good. *Change is Good.*
CHANGE is GOOD.

I keep telling myself that, and I truly DO believe it.. But Geez, sometimes I wonder how I get myself into so many things at once!

If you have been paying attention you already know that Scrapper's Haven is moving to the Winona Mall at the end of January. And we are all super excited about the changes we will be bringing you!

But did you know that Chuck and I have moved our personal residence as well? Yep, just deserted the whole crew and moved into 4 small, clean, quiet rooms. It's fabulous, wonderful, clean and did I mention QUIET?

This is one of those situations where I sit around and wonder if I really did the right thing. Don't get me wrong... I am enjoying the clean (a lot), I even enjoy the quiet. I love being responsible only for myself and Chuck... (and rather enjoy being with *just* Chuck) but I MISS those boys of mine. I miss being in the thick of their lives, being involved, being needed, bossing them around. Now...ask them if they miss me? They don't. They are grown, responsible and perfectly happy not being nagged to clean up or do stuff for me. They are doing fine, and so am I, but these are transitions that will take some time to adjust to.

I will be all adjusted soon, then we will move the store to the mall and I bet it starts all over... the second

guessing whether I made the right decision. Worse, my decision about the store move affects many people. Our team, my family, all of you. If the move was the wrong decision, then you lose one of your favorite local places to not only get your supplies, but also a great place to *be*, get a hug, get inspired and hang out with your friends. That is *unacceptable*, as much for you as for me.

So, come see me! Now, more than ever, you need to come *here* for your supplies and your needs.

- Remember how helpful we are about special orders, that within a few days (most of the time) we can get in many, many of those things you need.
- Remember how great our team is about helping you with your design dilemmas.
- Remember our wonderful inspiration station where you can learn so many wonderful techniques, any day, any time, just by asking.
- Remember our wonderful samples *shared with you* by our design team; there is always something wonderful to see and COPY!
- Remember being welcome to work in the Scrapyard anytime!
- Remember we love seeing you and appreciate YOU!

Happy Scrapping

— Katrina

Class Descriptions...

Card Class with Katrina: \$12

We make 4 fabulous cards each time with a different technique or theme scheduled! Generally lately, I have been telling you early what the theme will be... I just can't commit, you are going to have to trust me that the cards will be good... just going to be a surprise! Katrina.

Card Group: \$Free

We meet, we make cards to exchange, someone in the group teaches us a technique or card idea, we giggle and laugh — it's fun!! Each member of the group makes 12 cards. So you go home with 12 *different* cards. If you are interested in joining just give Katrina a call.

Cricut Support Group: \$FREE (with Cricut purchase from here) or \$10

CHANGE! Small change. If you are interested in a Cricut class, please call to RSVP for it. It will still be free, but we have had rather low attendance, which leads to some apathy in coming up with a great project, which leads to low attendance (see the pattern?)

So, if you sign up, I promise to make it wonderful.

Crop 'til you Drop: \$15

Spend your Saturday with one of your most loved pastimes: eating! I mean, scrapping! 12 hours to catch up on your pages, your card making or maybe your girlfriends! What could be more fun? Lunch, dinner, snacks, prizes and FUN!

FUNdamentals: \$10

Just the basics, all the basics. Receive a \$10 store credit for anything in the store after class. We will do one page as we talk about everything you need to know to get started making your own scrapbook. (We won't

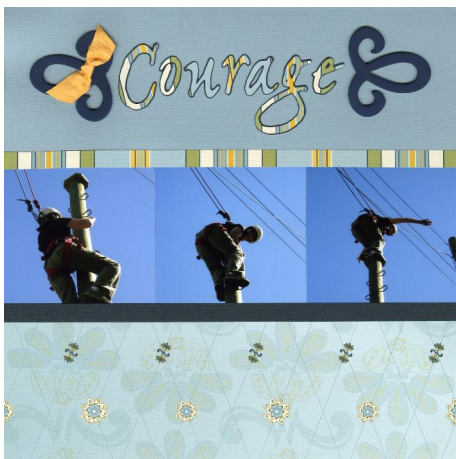

Scrapping in our workroom is free any time that there is not another event scheduled. We would like nothing better than to have the workroom in use at all times, and we are happy to take "reservations" for groups to come in as well, so....**please, give us a call to make sure we have the space whenever you are ready to scrap.**

Class Supplies. For all our classes, you need to bring a basic toolkit including: a 12" Trimmer, a scissors, your favorite double sided adhesive, glue dots, pop dots, a pencil, bone folder, scoring tool, and a ruler. For many classes you may need other specific tools for that class (which we will tell you about.) Payment is required to reserve your placement on the class list; fee listed for class includes all supplies, unless indicated otherwise. Call 507-452-1740 to reserve a spot. Cancellation must be made within 48 hours to receive a refund. **To avoid class cancellations register early; we reserve the right to cancel any class or crop with less than 4 registered participants.**

Make up your own class... have at least 4 friends who want to learn about something specific? Or just love one of the classes we have scheduled, but the time is no good? Learn the techniques you have always wanted to learn or get ideas for specific themes. Tell us what you want to do and for how long and we will work with you to design the perfect class for you! (Minimum class size: 4 students)

use your pictures, as we are teaching techniques.) Ruth.

Page Challenge Group: \$Free
Our scrappers are always looking for a new challenge. In this group, each month we all start with the same product collection to make a page spread. It's amazing to me how we start with the same product, but have such different results! Our awesome pages are posted in the store for a month, and online in our Gallery (thanks Miss Deb!)... come check them out, or better yet, join us, it's SUCH fun!!

Scrappy Friday: \$12

7 Hours to scrap. Scrapping in a group is a GREAT way to learn new techniques, just from each other. Join us and use our tools, let us clean up the mess. Dinner and snacks provided, prizes, plus lots of FUN!! What better way to spend a Friday night, than with your scrapping' buddies?

Sunday Scrap /Potluck: \$Free

Wow... last month this was SO FUN. We had the best meal and got a lot of scrapping done... amid lots of laughter. I can't think of a more revitalizing way to spend a Sunday! Join us... the more the merrier! Free and FUN!

That's WAY Cool!: \$12

In this class we make a page spread with a new topic / theme each month. The students generally pick the new topic and (if you want) your page will be displayed for the month. Our page spread for December's class will be Giving Thanks (of course) Bring an 8x10 plus 4 to 6 photos of a current or past event that makes you thankful. We will complete a great page! Katrina.

He has achieved success who has
lived well,
laughed often
and loved much;
who has enjoyed the trust of pure
women,
the respect of intelligent men
and the love of little children;
who has filled his niche
and accomplished his task;
who has left the world better than
he found it,
whether by an improved poppy,
a perfect poem,
or a rescued soul;
who has never lacked apprecia-
tion of earth's beauty or failed to
express it;
who has always looked for the
best in others and given them the
best he had;
whose life was an inspiration;
whose memory is a benediction.
