## Spring is a rebirth

Spring is here! Just like every other year, the very first day it got warm (of course it went from 50 to 90 overnight!) people were telling me how HOT it was. Then it got cold and rainy again, then nice, then cold... You know, living in the Midwest, it's so true, "if you don't like the weather, wait an hour!"

Chuck and I spent our Sunday off cleaning our "old" garage. What a beautiful day to be outside and getting some very overdue work done. Getting ready for a "moving sale" is not really a fun job, but it sure was good to have such a nice day to do it, it was good to be together (not that there were no conflicts) and it feels great to get a hard job done. Getting started was really the only hard part, once we were on track, the day went quickly and we got so much accomplished!

Some of you might feel that way about a scrapping project you have on your mind. Sometimes just the IDEA of sorting those photos, picking the papers and getting the project started has a way of holding you back from doing it. But, once you are started, the hard part is over...the creation part of the project will go faster, be fun and enjoyable and you will have a great sense of accomplishment for having gotten it done. Try it... you will like it!

We have been working very hard the last week or two getting in and putting out many, many wonderful NEW products for you to enjoy!

*We have found so many fun,*

*pretty, cute, quirky things for you to try ... come in soon to see them... They often go so fast you'll miss them if you wait too long!*

- We have \*new\* Girl, Boy, Birthday, Graduation, School, Outdoor, Family, Custom School, and MORE!
- Christy has picked a wonderful Birthday line for this month's Page Kit, which will be ready Tuesday, the 5th.
- We have a tremendous new collection of Thickers letters from American Crafts.
- Also in from American Crafts a whole new collection of "basics"...brads (in THREE sizes), photo turns and buttons. Soon to come: Eyelets, too... (they forgot to send them!)
- We have been completely enjoying our Page Challenge Group, and the new line is in for that.

Doesn't that sound like enough items to bring you in to visit and shop? We sure hope so, cause it feels better to have done all this work and then have someone else love it too!

Scrapping, as an event, is a great way to share good times with family and friends. Scrapping, as a hobby is the best way to preserve your memories, remember good times, work through hard times. We are here to help you. Come see us soon!

### **FUNdamentals: \$10**

Just the basics, all the basics. Receive a \$10 store credit for anything in the store after class. We will do one page as we talk about everything you need

Scrapping in our workroom is free any time that there is not another event scheduled. We would like nothing better than to have the workroom in use at all times, and we are happy to take "reservations" for groups to come in as well, so....**please, give us a call to make sure we have the space whenever you are ready to scrap.**

**Class Supplies.** For all our classes, you need to bring a basic toolkit including: a 12" Trimmer, a scissors, your favorite double sided adhesive, glue dots, pop dots, a pencil, bone folder, scoring tool, and a ruler. For many classes you may need other specific tools for that class (which we will tell you about.) Payment is required to reserve your placement on the class list; fee listed for class includes all supplies, unless indicated otherwise. Call 507-452-1740 to reserve a spot. Cancellation must be made within 48 hours to receive a refund. **To avoid class cancellations register early; we reserve the right to cancel any class or crop with less than 4 registered participants.**

**Make up your own class...** have at least 4 friends who want to learn about something specific? Or just love one of the classes we have scheduled, but the time is no good? Learn the techniques you have always wanted to learn or get ideas for specific themes. Tell us what you want to do and for how long and we will work with you to design the perfect class for you! (Minimum class size: 4 students)

to know to get started making your own scrapbook. Bring 4-5 Photos and you will go home with your first completed page to put in your book! Ruth.

**Page Challenge Group: \$Free**

Our scrappers are always looking for a new challenge. In this group, each month we all start with the same product collection to make a page spread. It's amazing to me how we start with the same product, but have such different results! Our awesome pages are posted in the store for a month, and online in our Gallery (thanks Miss Deb!)... come check them out, or better yet, join us, it's SUCH fun!!

Everyone has a story; we help you tell yours.

### **Best tool for the job!**

We spend a lot of time adhering things down when we make cards and scrapbook pages... and your choice of adhesives is very personal. There are tabs, sheer tape, glue dots, vellum tape, pop dots, glue sticks and glue pens. We have a pretty extensive selection of choices and if you are in the market for more adhesives or a different adhesive... just come in to check them out... chat with anyone on staff for suggestions.

But have you thought about Adhesive remover...?

There is UNDU... which actually neutralizes the sticky without ruining it...so if you were to remove a sticker from where you don't want it... you could use it again! Amazing.

I also could not live with out an Adhesive Eraser. This little chunk of rubber will remove excess adhesive that shows up if you "miss" when applying it to your pages. Love this tool!

**There is something new in the store that changes EVERY day!**

**Know what it is?**

**Watch for it...  
figure it out!**

**Once you know,  
come in and tell us what  
it is and receive a little  
gift!**

*(One gift per person, we'll keep this up through the end of May!)*
