Volume 7, Issue 5

July 2010

## Celebrate in July!

### Card Classes in July will BOTH be Cuttlebug / Cricut Cards!!

There have been so many new and wonderful products for the Cuttlebug lately (with more on the way!) that I think it's time we make some new card designs with them.

You know how popular this class is when I focus on Cuttlebug designs... they fill fast... so don't wait! Call to sign up for one or both, today!

July 7, 6pm

July 20, 6pm

### Come in and Check out our new Tonic Border Punch System!

These new punches are good quality, affordable, and versatile. All your favorite qualities in a scrapping tool!

Come in anytime and we can do a demonstration for you, show you some samples.

Want to check them out from home at 3 in the morning? Go to [www.youtube.com](http://www.youtube.com), search for "Tonic Studios". There are several videos showing how they work, and Scrapper's Haven is carrying a full lineup!

*(Some of the videos are made in the UK, so the measurements they talk about are metric, but don't let that throw you!)*

## Hot enough for you?

"I love you more than glitter paper."

— a *true* scrap booker, to her husband.

Figured I'd start you off with a smile. It just made me chuckle when she shared with me that this is how she tells her husband in terms he *really understands*, that he's number one. Even before her glitter paper!

We have been so busy around here! There has been so much new product flowing in, and many of them have required me to learn how to use them so that I can teach you! You know, that's one of the best things about shopping here — you don't *just* get product, tools, fabulous papers. All of these things come included with ideas, help, service and (if you ask) an opinion!

I have been really inspired lately to do pages, research new ideas, come up with new techniques and layouts. Must be the warm weather, apparently I am more creative when I am not freezing to

death.

This month also brings with it my favorite holiday, the 4th of July. I can't wait to go to the parades, eat at a picnic, visit a craft fair, and finish up our day with an outdoor orchestra concert and fireworks. I mean, doesn't that sound like the perfect day? I have always loved this holiday because everyone is outside, friendly, happy, visiting. I always see a ton of people I haven't seen for ever, some I see only on this one day. It's a chance to visit, relax, laugh. What could be better?

You know what else happens in July? It gets hot. Really, really hot. The only good solution to dealing with the heat is to stay inside and scrapbook. Or, even better, come to the store and crop for an afternoon or evening. We'd love to see you, share some time, some laughs, perhaps even sit down and make a page with you!

— Katrina

## Class Descriptions...

### **Card Class with Katrina: \$12**

Interested in making Cards? What a great way to share your love and good wishes with your friends and family! Cards also make great gifts for the non-crafters in your family. 4 great new card designs each class. Katrina.

### **Card Group: \$Free**

Our group is now full!! Time to start another. Maybe during the day? Let me know if you'd like to be a part of a new card group! If you are interested in joining just give Katrina a call.

### **Card of the Month Kit: \$12.95**

Scrapper's Haven Card of the Month Program provides you with a kit filled with paper, stickers

and embellishments on the 15th of each month. Each kit contains enough products to do 12 Cards every month. We will come up with 4 new designs (different from class ideas) and pack the kit with enough supplies to make 3 of each! Kit includes pictures of the cards and directions for any techniques needing instruction!!

### **Crop 'til you Drop: \$15**

Saturday, 10am to 10pm. This is one of the most fun events we put on the calendar! If you have not tried a crop, now is the time! You will learn so much from the other crafters, it will amaze you. Besides: it's July, that means it'll be too hot to do anything else! Lunch, dinner, snacks, prizes and FUN! Lots and lots of fun!

### **Kid's Camp: \$15**

This group is open to all kids (approx. ages 6-12). In every class, the kids will get to work with high quality craft tools, papers and adhesives that are also kid friendly. All supplies, tools, and adhesives are included. We will also supply a snack at the end the class. Christy.

### **Page Challenge Group: \$Free**

Our scrappers are always looking for a new challenge. In this group, each month we all start with the same product collection to make a page spread. It's amazing to me how we start with the same product, but have such different results! Our awesome pages are posted in the store for a month. The are also in galleries

Scrapping in our workroom is free any time that there is not another event scheduled. We would like nothing better than to have the workroom in use at all times, and we are happy to take "reservations" for groups to come in as well, so....**please, give us a call to make sure we have the space whenever you are ready to scrap.**

**Class Supplies.** For all our classes, you need to bring a basic toolkit including: a 12" Trimmer, a scissors, your favorite double sided adhesive, glue dots, pop dots, a pencil, bone folder, scoring tool, and a ruler. For many classes you may need other specific tools for that class (which we will tell you about.) Payment is required to reserve your placement on the class list; fee listed for class includes all supplies, unless indicated otherwise. Call 507-452-1740 to reserve a spot. Cancellation must be made within 48 hours to receive a refund. **To avoid class cancellations register early; we reserve the right to cancel any class or crop with less than 4 registered participants.**

**Make up your own class...** have at least 4 friends who want to learn about something specific? Or just love one of the classes we have scheduled, but the time is no good? Learn the techniques you have always wanted to learn or get ideas for specific themes. Tell us what you want to do and for how long and we will work with you to design the perfect class for you! (Minimum class size: 4 students)

Last month's most copied and commented about Page Challenge Page. Way to go Ruth!!

(by the month) on the webpage. [www.scrappers-haven.com](http://www.scrappers-haven.com) Come check them out, or better yet, join us, it's SUCH fun!!

**Page of the Month Kit: \$14.95**

We know that the biggest challenge for many of you is picking out papers, stickers and embellishments for your special pages, and then coming up with great page ideas... Scrapper's Haven Page of the Month Program provides you with a kit filled with paper and embellishments on the 5th of each month. Each kit contains enough products to do at least 2 full page layouts every month. BEST OF ALL... we will include a page spread idea to get you started. Christy.

**Scrappy Friday: \$12**

7 Hours to scrap. Scrapping in a group is a GREAT way to learn new techniques, just from each other. Join us and use our tools, let us clean up the mess. Dinner and snacks provided, prizes, plus lots of FUN!! What better way to spend a Friday night, than with your scrapping buddies?

**That's WAY Cool!: \$12**

In this class we make a page spread with a new topic / theme each month. The students generally pick the new topic and (if you want) your page will be displayed for the month. Our page spread for the June class will be "Trip/Travel". Bring 6-10 photos of a current or past trip and we will complete a great page spread! Katrina.

God grant me the  
serenity to accept the  
people I cannot change,  
the courage to change the  
one I can, and the wisdom  
to know it's me.
